Who we are...

ASI is the organization of Seventh-day Adventist lay persons involved in professions, industry, education, and/or services—exists to provide challenge, nurture, and experience in Sharing Christ in the Marketplace as well as support the global mission of the Adventist Church.

Uniqueness of ASi

The uniqueness of the organization is twofold:

First, we recognized that our time, talents, treasures and body temple belong to God. We are stewards of these possessions.

Accordingly, we believe that our vocations can and should be a ministry to aid in the advancement of the great gospel commission (Luke 19:13; Testimonies vol. 4, p. 469).

Second, we are committed to supporting the Seventh-day Adventist Church and its various outreach programs which include health, education, evangelism, community services, family concerns and special projects.

ASI members are men and women from nearly every walk of life. We represent all the diversity that is found within our church. The ASI philosophy promotes a Christ-centered lifestyle, manifested by a commitment to be in daily partnership with God.

Members seek to live out God's love in their own lives and share that love with the millions of people they encounter in their business and professional activities each year.

Vision

ASI and its members will be known for their unswerving honesty in business principles and practices, unflagging participation in the various ministries of the Church, unwavering positiveness toward Church leadership, unhesitating provision for the needs of others, and untiring focus on the Christ they represent in the marketplace.
